Publishable summary

The aim of this deliverable D7.3: Dissemination and exploitation plan is to present the implementation strategy of the dissemination and exploitation of the HIGREEW project, during and after the project runtime.

This deliverable will have two parts - Part 1, section 1 to section 4, will present the update dissemination plan, while Part 2, section 4 to section 5, will present the updated exploitation plan.

Part 1 describes the target audience, how that audience will be reached and when it will be reached. Part 2, the Exploitation Plan, is based on the input of all the technical partners in the HIGREEW Consortium. It shall explain the methodology behind the exploitation of project results as well as list exploitable results.
