### EU SUSTAINABLE ENERGY WEEK 2021 16TH EDITION

Organised by the European Commission, **EU Sustainable Energy Week (EUSEW)** is the biggest annual event dedicated to renewables and efficient energy use in Europe.

On 25-29 October 2021, the 16th edition of EUSEW will take place online, under the theme: **'Towards 2030: Reshaping the European Energy System'**.

Since 2006, EUSEW has grown into a community bringing together a wide range of energy stakeholders, which meets annually to debate the latest developments and ideas in the sector. This year, EUSEW promises to be the biggest and most innovative energy event yet. From the high-level opening session and the Debate with Ambassadors, to the EUSEW Awards ceremony and Energy Days, EUSEW 2021 will be an unmissable event for energy stakeholders in Europe!

### HOW YOU CAN TAKE PART IN EUSEW

Everyone brings something different to EUSEW. This year's online, interactive event experience is great for sharing ideas, knowhow, and building alliances to drive forward the clean energy transition.

#### HOST OR ATTEND THE POLICY CONFERENCE (25-28 October)

Choose from **several digital sessions**, gathering industry experts and policy makers to discuss **green recovery and growth**.

**Sign up for the European Youth Energy Day**  
Aged 18-30 years old and want to help make the European Green Deal a reality? Sign up or organise your own policy session and share your vision on how to transform Europe into the first climate-neutral continent.

#### APPLY OR VOTE THE EUSEW AWARDS

Find out who takes home the prizes, with awards for **Engagement** and **Innovation**, **Woman in Energy**, **Young Energy Trailblazer** and the **Eastern Partnership Awards**.

#### ORGANISE OR PARTICIPATE IN THE ENERGY DAYS

Prepare your energy day or discover digital events that will take place all over Europe, engaging local communities throughout September and October.

#### CHAT WITH FELLOW ENERGY PROFESSIONALS

Through the EUSEW digital event platform, participants can connect with other participants via 1:1 **video meetings** to network and discuss potential project collaborations.
